## ATTORNEY CHRISTINA M. HAGEN ACHIEVES BOARD CERTIFICATION IN TRUCK ACCIDENT LAW BY THE NATIONAL BOARD OF TRIAL ADVOCACY

BERKLEY, MICHIGAN -The National Board of Trial Advocacy (NBTA) is pleased to announce that Christina M. ("Chrissy") Hagen of the law firm, Olsman Mackenzie Peacock has successfully achieved Board Certification as a Truck Accident Law advocate. The NBTA was formed out of a strong conviction that both the law profession and its clients would benefit from an organization designed specifically to create an objective set of standards illustrating an attorney's experience and expertise in the practice of trial law.

Chrissy joins a growing number of trial attorneys that have illustrated their commitment to bettering the legal profession by successfully completing a rigorous application process and providing the consumer of legal services with an objective measure by which to choose qualified and experienced legal counsel.

The elaborate screening of credentials that all NBTA board certified attorneys must successfully complete includes: demonstration of substantial trial experience, submission of judicial and peer references to attest to their competency, attendance of continuing legal education courses, submission of legal writing documents, proof of good standing and passing of an examination.

Board Certification is the highest, most stringent, and most reliable honor an attorney can achieve. Board certifications are the only distinctions awarded by non-profit organizations. The NBTA as well as all board certifying organizations are committed to safeguarding the public's ability to choose a good attorney.

Chrissy earned her undergraduate degree in Finance from Michigan State University. She is a graduate of Western Michigan Cooley Law School. Chrissy is licensed to practice in Michigan and Colorado. She has been involved in hundreds of civil personal injury actions. She is a member of Sisterhood of the 8, Academy of Truck Accident Lawyers, American Association for Justice, Michigan Association for Justice, Colorado Trial Lawyers Association, Michigan State Bar Foundation Fellows, and many other esteemed organizations.

Approximately **three (3%) percent** of American lawyers are board certified, and Ms. Hagen is a member of a very select group who has taken the time to prove competence in their specialty area and earn board certification.
